ReactiveWheelCleaner

Reactive, acid-free rim cleaner with performance indicator (red indicator) and gloss additives for thorough and careful cleaning of high-quality rims. Powerful dirt carriers disperse and dissolve stubborn dirt. With gloss and lotus effect.

Areas of use

Rims

Recommendations for use

Spray over the whole of the cooled rim. Leave to react for 1 - 3 minutes. Where required, finish with wash pad or brush. Rinse off thoroughly with a powerful water jet or drive through the carwash. With heavy dirt the reaction time can be extended to 10 minutes.
